#NoHateEP2014

Reporting hate speech in the #EP 2014 campaign

In March, *ILGA-Europe** and *ENAR** launched an *Appeal for an election campaign free from discrimination and intolerance*, urging European parties[†] to condemn discriminatory or intolerant remarks during the European Parliament election campaign. *ERGO** later joined the campaign

An online form enables the public to report discriminatory or intolerant incidents during the campaign. This report compiles submissions received so far.

1. Summary

30
reports

Out of 30 reported hate speech incidents against minorities, two thirds (21 reports) have involves implicit incitement to hatred, prejudice or discrimination, which is turning out to be the most frequent form of hate speech in this campaign.

Candidates and other politicians have most frequently attacked migrants, foreigners and asylum-seekers (over 5 in 10 times), LGBTI people (3 in 10), but also Muslims (almost 2 in 10). One incident in Hungary (p. 5) targeted both LGBTI people and migrants, and one in Sweden implicitly targeted Roma people (p. 12).

Finally, hate speech appears to remain privy to far-right parties: in two thirds of incidents (19 reports), parties without any European affiliation were at fault. When including all far-right European parties (the European Alliance for Freedom, the Alliance of European National Movements, and the Movement for a Europe of Liberties and Democracy), the total rises to almost 85% of incidents (25 reports).

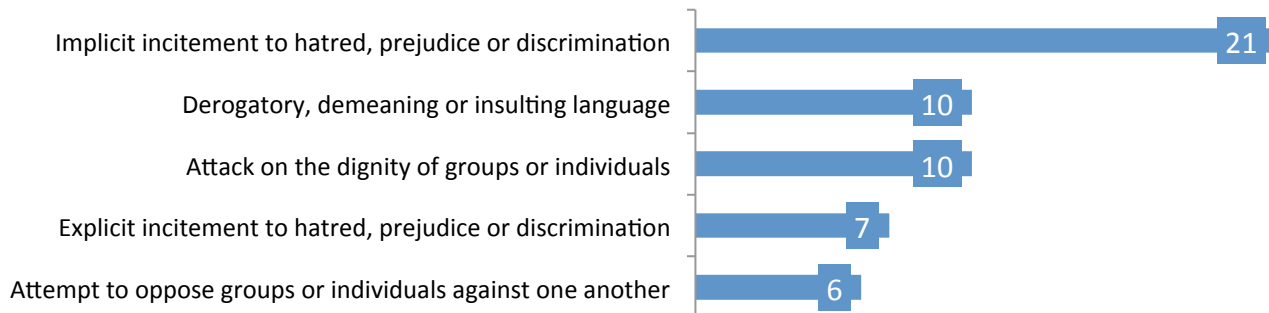

One report involves an observer member of the PES (p. 6), and two involve full member parties of the EPP (pp. 8 and 12, see also p. 11).

We will continue monitoring incidences of hate speech in the context of the campaign, and publish further updates, including possible new reactions by political parties.

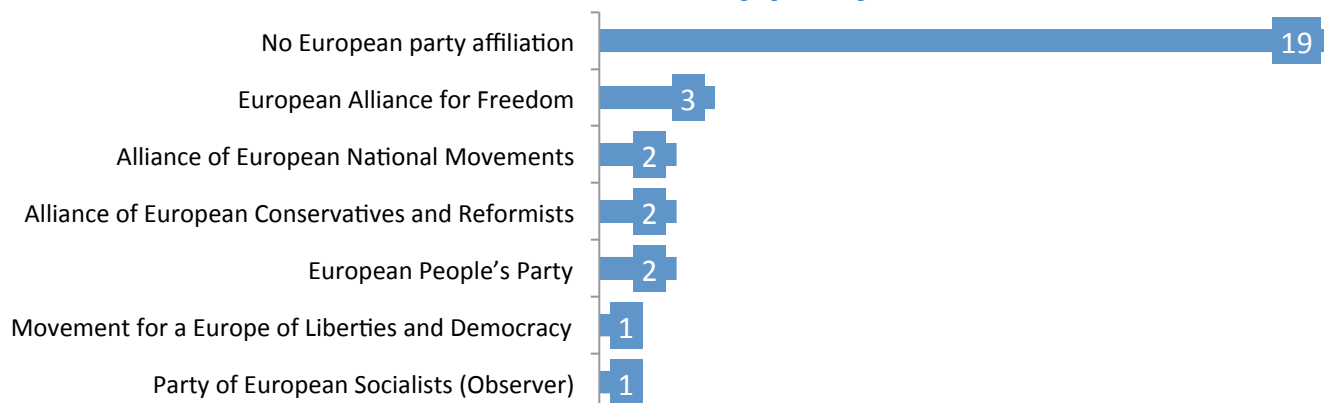

* *ILGA-Europe* is the European Region of the International Lesbian, Gay, Bisexual, Trans & Intersex Association, an international non-governmental umbrella organisation working towards equality and human rights for lesbian, gay, bisexual, trans & intersex (LGBTI) people at the European level. The European Network Against Racism (*ENAR*) is the only pan-European anti-racist network that combines advocacy for racial equality and facilitating cooperation among civil society anti-racist actors in Europe. *ERGO* is the European Roma Grassroots Organizations Network.

† The Appeal was signed by the Party of European Socialists (PES), the Alliance of Liberals and Democrats for Europe Party (ALDE), the European Green Party, and the Party of the European Left. The European People's Party (EPP) expressed support for the principles contained in the Appeal.
